

ENSE 347 Riker Questionnaire:

1. How difficult was it to sign up/log in?
2. Was it challenging to figure out how to make a meme?
3. Was the list of options enough, if not what more would you suggest?
4. Was it challenging to navigate the system?
5. How would you rate the general usability of the meme generator?
6. Did you face any challenges navigating the system?
7. Is there enough customizability for the appropriate usage?
8. How user friendly would you say our system was on a scale of 1 to 10, 10 being very user friendly, and 1 being terrible.
